HOW DO THESE APPOINTMENTS HELP YOU?

Dental health examinations provide:

- Thorough examination of their current dental health to catch developing problems early
- Checking for signs of oral cancer for early detection
- X-rays, where clinically necessary, for an internal examination of their oral health
- Fissure sealant to help prevent tooth decay and strengthen their teeth

Please speak to any member of the team if you would like more information or for details on how to register your child.

* The provision of dental health examinations and hygiene visits is subject to receipt of the required consecutive monthly payments.
